# Exercise Class Descriptions

## Age Well Fitness

Using a range of gym equipment, participants can be challenged at a level that suits their needs. Supervised by exercise physiologists, participants are provided with an individualised exercise program to achieve their specific fitness goals.

## Dance for Balance

A low impact Latin style dance class designed to improve strength, balance and coordination. Led by a physiotherapist and tailored to participants' abilities, no dance experience is necessary. Participants can learn solo or with a partner.

## Hydrotherapy

Low impact individualised water-based rehabilitation designed to improve pain, balance, mobility and overall physical health. Perfect for those recovering from injury or orthopedic surgery. Classes are supervised by a physiotherapist.

## Strength and Balance

A strength and balance exercise class completed as a group in a fun and friendly environment. Led by a physiotherapist, participants can improve overall physical ability and feel steadier on their feet.

## Tai Chi

Graceful movements, deep breathing and relaxation techniques designed to enhance balance flexibility, strength, and mental wellbeing. Led by a qualified Tai Chi instructor, our classes are suitable for all fitness levels.

## Chair Yoga

Chair yoga, adapted from traditional yoga, has poses and stretches using a chair for balance or sitting. Classes can improve balance, flexibility and wellbeing. Coordinated by our occupational therapy and social work teams, chair yoga is suitable for all levels of fitness.
