### **Issue 14 | Update – 14 February 2025**

Dear residents, families and representatives,

#### **Thank you for your feedback**

Thank you to everyone who provided feedback late last year about how you would like to use the new Games Room and Reading Room on Level Two once they are completed. We truly value your time and input, and your responses will ensure that these spaces meet the needs and preferences of all residents and visitors.

With completion scheduled for April, we are working to collate the responses and we will share the results of the feedback with you in the coming weeks.
